Any offer of admission to Fresno Pacific University prior to the applicant's completion of high school is provisional, subject to successful academic work during their remainder of high school and proof of graduation, except for candidates who are applying for college entrance without high school graduation. Any offer of admission to an applicant transferring from another college is provisional subject to successful completion of coursework in progress at the time of application and proof of good standing from the previous college. Meeting admission requirements does not guarantee admission. Admission to the university does not guarantee admission to specific academic programs. Student's with a felony or misdemeanor conviction or adjudication may not be eligible for clinical or internship placements, state licensure or other certifications required for successful program completion and/or employment (i.e: nursing clinicals and licensure, state education licensure, social work internships and licensure). These exemptions may apply to, but are not limited to, requirements in the university's community standards, employment policies, housing policies, admission and recruitment processes, benefits and services, financial assistance, and our academic programs, including student leadership, athletic and arts programs.
